STATEMENT FILED PURSUANT TO THE DUTY OF
DISCLOSURE UNDER 37 CFR §§1.56, 1.97 AND 1.98

Madam:

Pursuant to the duty of disclosure under 37 C.F.R. §§1.56, 1.97 and 1.98, the Applicant requests consideration of this Information Disclosure Statement.

PART I: Compliance with 37 C.F.R. §1.97

This Information Disclosure Statement has been filed before the mailing of a first Office action after the filing of a request for continued examination under 37 C.F.R. §1.114. No fee or certification is required.

PART II: Information Cited

The Applicant hereby makes of record in the above-identified application the information listed on the attached form PTO-1449 (modified PTO/SB/08). The order of presentation of the references should not be construed as an indication of the importance of the references.

The Applicant would like to bring to the Examiner's attention the following co-pending applications that may contain subject matter related to this application:

Serial No.	Filing Date	Inventor(s)	Attorney Docket No.
11/834,793	August 7, 2007	Krantz et al.	M1103.70162US01
10/830,516	April 23, 2004	Bahl et al.	M1103.70215US00

The above-identified co-pending applications include subject matter that is technically related to subject matter of the present application and/or claims that recite elements similar to those recited claims of the present application. In handling prosecution of the above-identified applications, the Examiner for the other applications will search for relevant prior art and, in some circumstances, may take positions about the prior art and/or the claims that may be material to the examination of the present application.

Accordingly, the Examiner in the present application is requested to review the entire file history of the above-identified applications, including the pending claims, cited references, Office Actions, Responses, etc., to see whether there is any information that the Examiner believes may be relevant to the prosecution of the present application. It is assumed that the Examiner has access to the file histories of the above-identified applications. However, if the Examiner would like a copy of any or all of the information included in the file history of the above-identified applications, the Examiner is asked to contact the undersigned representative.

PART III: Remarks

Documents cited anywhere in the Information Disclosure Statement are enclosed unless otherwise indicated. It is respectfully requested that:

1. The Examiner consider completely the cited information, along with any other information, in reaching a determination concerning the patentability of the present claims;

2. The enclosed form PTO-1449 (modified PTO/SB/08) be signed by the Examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application;

3. The citations for the information be printed on any patent which issues from this application.

By submitting this Information Disclosure Statement, the Applicant makes no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

By submitting this Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

By submitting this Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102.

Notwithstanding any statements by the Applicant, the Examiner is urged to form his or her own conclusion regarding the relevance of the cited information.

An early and favorable action is hereby requested.

Respectfully submitted,

By:
